Students must:

- Login at admission.ied.it
- Fill out the form with their personal information;
- Sign the application for admission and upload the supporting documents listed below.

Recommended timeframe

Although enrolment is open until the start of the course, in order to guarantee Accademia Galli's high level of quality and an effective relationship between students and instructors, all Accademia Galli courses are limited enrolment. To be guaranteed a place on these courses, candidates must complete the enrolment procedure. It is therefore advisable to begin the admission process as soon as possible.

Except for online courses, **non-EU students** must also verify the procedure for obtaining the proper visa with the Italian diplomatic authorities. These procedures may be time-consuming, so students are encouraged to begin the admission process early, since Accademia Galli will provide the necessary documentation for the visa application at the end of enrolment.

- Copy of identity document (valid passport for students from outside the EU);
- Copy of fiscal code or national health system card (only for Italian citizens).

3. ADMISSION PROCESS

The admission process includes three basic steps:

- **Interview (where required);**
- **IED Network language assessment test (if needed);**
- **Admission confirmation.**

3.1 INTERVIEW

Once documentation is received, the candidate will be contacted and invited to an admission interview. This interview is intended to evaluate the candidate's artistic or design portfolio and their technical skills acquired during their studies or any relevant professional experience, their individual aptitudes, and their motivations for participation.

3.2 IED NETWORK LANGUAGE ASSESSMENT TEST

The language assessment test is designed to evaluate the student's language proficiency at the beginning of the program. The online assessment test is held via Skype with one of the IED Network language instructors. The test lasts approximately 20 minutes.

The Language Assessment Test aims to evaluate the starting level of language of the students at the beginning of the program. The on-line Italian assessment test is carried out through a Skype conference with one of IED Network language professors. The language test lasts about 20 minutes.

3.3 ADMISSION CONFIRMATION

After the admission interview, applicants will receive the notification the notification of successful admission to the course and the credentials to enter their private area of the Student Portal IED Campus.

In the portal, candidates will find:

- a. Enrolment application;

These steps will complete the admission phase.

4. ENROLMENT

To complete the enrolment process, candidates must provide Accademia Galli with:

5. AFTER ENROLMENT

5.1 PROCEDURES FOR NON-EU STUDENTS

The following procedures apply to **non-EU students residing abroad and requiring a study visa to enter Italy**. Non - EU students belonging to the following categories are included within this group:

- Non - EU citizens who do not reside in Italy;
- Non - EU citizens who, despite having studied in Italy upon obtaining a proper study permit for a programme recognised by MUR, have lost their student status or have withdrawn from their studies: applicants in this situation need to apply for a new visa from the appropriate Italian Diplomatic - Consular Agency in their country of origin;
- Non - EU citizens with a study visa valid only to attend an Italian language course or a private course: applicants in this situation need to apply for a new visa from the appropriate Italian Diplomatic - Consular Agency in their country of origin in order to enrol on an Accademia Galli course.

5.1.1 Pre - enrolment on Universitaly

For enrolment on Accademia Galli Courses- as a preliminary step in applying for a study visa - non - EU citizens residing abroad must first submit an online application for pre - enrolment to the Italian Embassy (or Consulate) of reference in accordance with the procedures set out in the relevant ministerial provision published on the following website: **studiare-in-italia.it**

To this purpose, students must register on Universitaly website **www.universitaly.it/index.php/registration**, and submit their online application by providing the necessary details and attaching the requested documents.

Upon receipt of the confirmation of admission to the Accademia Galli, students should create an account on: **www.universitaly.it/index.php/registration**, and submit the full pre-enrolment application including the documents requested on the platform. IED will then confirm the name of each admitted applicant to the Italian Diplomatic Representatives through Universitaly.

PLEASE NOTE: The pre-enrolment on Universitaly is a **compulsory step** to be enabled to apply for the **study visa**.

However, **Accademia Galli admission and enrolment procedures and the Ministerial pre- enrolment and visa procedures are completely distinct processes**.

Therefore, the documents uploaded on Universitaly **do not replace** in any way the ones to be uploaded on Accademia Galli admission portal and to be **submitted to Accademia Galli Matriculation Desk**.

Below is the list of the documents that are **generally** required for pre-enrolment application on Universitaly:

- Copy of valid passport;
- A passport - size photo;
- Educational qualification provided during the admission process;
- Language proficiency certificate (only if available. It is not requested for students who took IED Network language test).

This step ends with the submission of the online pre-enrolment application which will be then validated by Accademia Galli and processed by the Italian Representative Authority. As Accademia Galli's validation is required for applicants to be then enabled to apply for the visa, we warmly suggest that students complete Accademia Galli admission process as soon as possible before pre-enrolling on Universitaly.

TIPS FOR CORRECT PRE-ENROLMENT APPLICATION ON UNIVERSITALY:

- Make sure to choose the correct **Accademia Galli** in the field called "Istitution Name".
- Make sure to insert the course name as reported in your certificate of admission.
- Make sure that your **personal details match** exactly with the one reported in your **passport**. If you have **no surname**, you can just type the dash symbol "-".
- Make sure to select the "**corso propedeutico (foundation course)**" as **course type**.
- Make sure to use the **same email address** you have used to register on **Accademia Galli Admission Portal**.
- Remember that all fields are **mandatory** except for the **ID account** (leave the field blank).
- Insert your **Tax Code** if you have already obtained an official one either in Italy or at the Italian Embassy/Consulate. In case you do not have one, University will calculate an hypothetical Tax Code (Codice Fiscale) for you in order to fill out this compulsory field. Please note that this is not an official code and has no other purpose than University registration.
- If you have any **doubt**, do not hesitate to **contact your advisor**.
- Before submitting your application, **make sure all the details are correct** because you won't be able to change them afterwards.

5.1.2 Visa and Residence Permit

All students, except citizens of EU Member States, Norway, Iceland, Liechtenstein, Switzerland, the Republic of San Marino and the Vatican City State, are required to:

- Apply for and obtain a **study visa (Type D)**, before coming to Italy;
- Obtain a **residence permit** for study purposes, once in Italy. (not requested for stays of less than 90 days).

5.1.3 Visa

Students must ensure they comply with all immigration rules and regulations in order to enrol at Accademia Galli and to come to Italy: they should visit **vistoperitalia.esteri.it** where a guided procedure will help them to understand whether – based on their nationality, Country of residence, reasons for visiting and length of stay – they need to apply for a visa and where to do so. Since this process can take one month or more, it is crucially important that students contact their relevant Italian Embassy/Consulate well in advance to make an appointment and find out what the documents required are, as requirements are often subject to change.

The Italian Embassy (or Consulate) of reference is the one in the country that issued the students' passport and the one that is responsible for the area where they reside. The list and contacts for the Italian Diplomatic - Consular Agencies are available on the following website: **vistoperitalia.esteri.it**

To obtain a visa, students will be requested to fill out a specific form and submit:

- Valid travel document;
- Passport-size photo;
- IED Enrolment kit;
- University pre-enrolment summary validated by Accademia Galli (downloadable from University portal);
- Medical health insurance valid for Italy;
- Others: the Italian Diplomatic Authority may request further documentation.

For precise and detailed information on the documentation required for visas, please refer directly to local **Diplomatic and Consular representatives** or visit the website of the **Italian Ministry of Foreign Affairs and International Cooperation**.

Accademia Galli recommends that students apply for a multi - entry Schengen Visa whenever possible.

All requirements and regulations concerning the visa application are set by the Italian Diplomatic Authority. Students are reminded that it is their responsibility to be aware of all the steps in the process, as well as the required documents and deadlines, in order to obtain their study visa.

For students who are under 18 years old, a legal guardian in Italy may be requested in order for a visa to be issued: please consider that Accademia Galli cannot be this legal guardian. This is why students must properly double - check which documents are requested in this specific case and act consequently, according to the Italian Authorities' directions.

5.1.4 Residence Permit

Within 8 working days of the arrival in Italy with a type D "national" study visa, students must apply for a residence permit for study from the central police station (*Questura*) in the city in which they reside.

When students submit their application for a residence permit, they will be issued a receipt by the relevant Post Office attesting to their lawful presence in Italy until their residence permit is issued. Students are also provided with an appointment date when they need to go to the relevant central police station (*Questura*) office. Students can check the status of their residence permit application on the **website of the Polizia di Stato** or on the **immigration portal**.

5.2 PROCEDURES FOR EU STUDENTS

EU students do not need a student VISA to enter Italy. However, when they stay in Italy for longer than 3 months, the law requires them to register with the local registry (*Anagrafe*) of the Municipality in which they intend to live.

To this purpose they need:

- A valid passport or identification document;
- Self-certification of enrolment;
- Evidence of private health insurance/European Health Insurance Card.

Students may request further information and support for applying for a study residence permit at the relevant IED school once in Italy.
